

Announcement

change in the CFO and investor relations manager

Graphisoft Park SE informs its shareholders that from July 1, 2022, Ildikó Farkas, the current head of the Company's controlling department, will take over the duties of the Company's Chief Financial Officer and Investor Relations from Sándor Bihari.

Between 1995 and 2008, Sándor Bihari held the CFO position at the Company's legal predecessor, Graphisoft SE, and played a leading role in the successful listing of the predecessor company on the Frankfurt Stock Exchange in 1998 and on the Budapest Stock Exchange in 2000; and later in 2006 the de-merger and IPO of the real estate development business line, Graphisoft Park SE. Among other things, this is why the Company approached Sándor Bihari after his retirement in 2020, assuming the duties of the Company's Chief Financial Officer and Investor Relations. Sándor Bihari took over the task for 2 years in addition to his pension, adding that during this time he would prepare the current head of the Company's controlling department, Ildikó Farkas, to take over the task.

Ildikó Farkas joined the Company in 2016, and since 2018 she has held the position of controlling department leader with the full recognition of the top management and colleagues, during which time she has proved her professional and managerial competencies. She completed her studies at the Faculty of Business Administration of the Corvinus University of Budapest and is currently participating in the CEU Executive MBA program. Prior to joining Graphisoft Park SE, she gained experience in financial analyst and senior controller positions at key players in the pharmaceutical and financial sectors.

The Company would like to thank Sándor Bihari for his two years of successful work, including the successful implementation of the Company's new integrated administration system and, last but not least, the preparation of Ildikó Farkas for succession.

On behalf of the Board of Directors of Graphisoft Park SE, we wish Sándor Bihari further successful and active years, and congratulate Ildikó Farkas on her appointment, and we wish her similar success in her new position.
