

## **Announcement**

### **change in the CFO and investor relations manager**

Graphisoft Park SE announces that from January 15, 2018 the company's new CFO and investor relations manager will be Gábor Ormosy.

Gábor first worked as investment banker at CA-IB after completing his finance and management degree. Later he acted as CFO and then CEO, responsible for reorganizing, managing and/or the sale of several companies in different industries. Besides his corporate banking experience, he also worked as venture capital and startup incubation manager. He shares his knowledge in the nonprofit sector as well. He studied at Corvinus University in Budapest and Georgetown University in Washington, DC.

Graphisoft Park SE also announces that Gábor Ormosy owns no shares in the company.
